

The Tuition Payment Plan gives you more time to pay your tuition and fees to Everett Community College. You pay half of your tuition and fees by the normal tuition deadline, and the rest by the 35th calendar day of the quarter. For questions, please contact the Cashiers Office via email: cashier@everettcc.edu

You cannot use the Payment Plan if you have a balance owing from a previous quarter. The Payment Plan may not be used for some programs, and some restrictions apply.
