

Risk of College Exposure

(from a single confirmed case)

Every confirmed case of COVID-19 will be assessed to determine the level of risk that others at EvCC were exposed. Below are the most significant factors that are taken into consideration and how each impacts overall exposure risk.

LOW	MODERATE	HIGH
<ul style="list-style-type: none"> Email to those who had close contact. Info posted on web.* Individual space(s) or building(s) closed for cleaning Minimal impact to class or work 	<ul style="list-style-type: none"> Email close contacts. Info posted on web. Everyone in building notified. Multiple space(s) or building(s) closed for cleaning Some impact to class or work schedule 	<ul style="list-style-type: none"> Notification via email to all students and employees, web, social media. Possible EvCC Alert Entire campus(es) closed for cleaning High impact to class or work

Contributing Factors	PPE	<i>Was a mask and/or other required PPE worn properly at EvCC?</i>	All required PPE used while at EvCC	No mask or other PPE used
	Indoors/Outdoors	<i>Portion of time at EvCC that was spent in indoor, shared space.</i>	Most time was spent outdoors distanced from others	Most time was spent indoors in shared spaces
	# of Interactions	<i>How many other people did they interact with?</i>	Few face-to-face interactions	Many face-to-face interactions
	Time of Contact w/Others	<i>How much time were they in close contact with others?</i>	<15 minutes in close contact with others	Extended time in close contact (ie class period or work shift)
	# of Spaces Visited	<i>How many (and which) buildings they visited while at EvCC.</i>	Single work space/area in lightly used building	Numerous buildings or workspaces <u>or</u> areas in open buildings
	Days Since Last Visit	<i>Number of days from last visit to EvCC until onset of symptoms.</i>	More than 5 days from last visit to symptom onset	Symptomatic while on campus or onset later the same day
	Associated Cases	<i>Are there any other known cases that share classes or work spaces?</i>	No confirmed or suspected cases in individuals who share classes or work spaces	Multiple confirmed or suspected cases in associated individuals

* President's Office, Custodial, Security, Human Resources, IRT, and Marketing and Communication to be notified of all cases.
