POLICY

In situations of suspected misconduct or suspected unauthorized presence in a college facility, it may be necessary for properly identified college personnel to ask a person to produce evidence of being a currently enrolled student at the college. Failure to comply with a legitimate request for identification from a properly identified college personnel is a violation of this chapter and may result in disciplinary action if the person is found to be a student. In emergency situations or in cases of serious misconduct where there is a substantial danger to the college community or college property, failure to produce identification by a student may result in the assumption by the college personnel that the person questioned is not a student and may result in direct civil or criminal action.
