

Underage Admissions Quarterly Release Form

Everett Community College (EvCC) does not desire to replace or duplicate the functions of the local public schools or school networks. However, we offer the option to underage students who are still in middle school or high school and not in other approved "dual enrollment" programs, such as Running Start, to take classes at the community college. The release form allows an underage student to enroll at the college with the permission of their school administration.

The release form is required to be completed each college quarter (Fall, Winter, or Spring) with the exception of Summer quarter for registration. Submit the form along with instructor permission at Enrollment Services in Parks Student Union 201 or via email to runningstart@everettcc.edu.
