To be successful in the running start program:

- See your Stanwood High School counselor well ahead of your registration date. Email your counselor ahead of time to make sure they are available to complete the RSEVF (enrollment verification form).
 - A - G Paige Watson pwatsonschnack@stanwood.wednet.edu
 - H - I Jeff Davis jdavis@stanwood.wednet.edu
 - J - Q Tricia Tayon ttayon@stanwood.wednet.edu
 - R - Z Emily Elde eelde@stanwood.wednet.edu
- Know who you should talk to when you have questions. Your high school counselor can help you understand the high school graduation requirements and which classes meet those requirements. Questions regarding your college classes, degree options, and timelines should be directed to staff at the college.
- Complete other high school requirements: testing standards (SBA Math and ELA; WCAS Science—class of 2021) and high school and beyond plan.
- Check the Stanwood High School website often regarding school events (senior picture, scholarship presentations, testing information).
- Understand that the college school calendar is different from the SHS calendar.
- If you participate in sports, it is your responsibility to maintain the credits/grades needed for eligibility.
