

JAPANESE BASEBALL WITH BOB BAVASI

Join us for a fascinating look at Japanese baseball.

Bob Bavasi comes from a baseball family. His dad, Buzzie, and brothers, Bill and Peter, were all general managers of major league teams. Bob and his wife, Margaret, owned minor league teams, including the Everett Aquasox.

Bob created Japanball.com, which has organized tours of professional baseball games in Japan for over 20 years.

Bob was a member of the Board of Trustees for both EvCC and Washington State Board for Community and Technical Colleges.
