## Student Speaker

Beenish Iqbal

Beenish Iqbal joined Everett Community College to pursue her Associate in Elementary Education Major. Beenish grew up in a family of Engineers, but her passion for staying close to children brought her to the Education system. Beenish likes to work for; and with children. Beenish's end goal is to complete Principal Certification. Outside school, Beenish volunteers her time on different avenues and enjoys supporting families and children to become part of the education system, particularly bilingual immigrant families. Beenish believes in making a difference in lives instead of waiting for the change to happen.

Accomplishments: President's List (Fall Quarter - 2020), PTK Honorary Member

## Student Speaker

Nhatvan Vo

Nhatvan Vo is an international student who is majoring in Business Administration at Everett Community College. Nhat was born in 2001 in a village in Vietnam mainly focused on agriculture. Nhat always wanted to open his own business selling and buying agricultural products so he decided to come to the U.S. to pursue a bachelor's degree in Business. When Nhat first came to the U.S., communicating in English was a big challenge for him. Nhat's education journey at EvCC started in the English as a Second Language program and now he is graduating with an AA in Business and will transfer to WSU to further his education next. Nhat worked as a Student Ambassador in Student LIFE as well as a student leader in the Bridges Center. Nhat has an enormous love for traveling and he has traveled to 15 countries around the world. Living and studying in the U.S. taught Nhat patience and perseverance to overcome his language barrier, the courage to take risks, face new challenges, and resilience to bounce back from cultural shocks, failures, and disappointments. Nhat is looking forward to finishing his bachelor's degree in Business so he can go back to Vietnam to run his own business.

Accomplishments: Student Ambassador, Volunteer at BRIDGES Center, Leader in Bridges Cultural Club, received a 4.0 GPA for 3 quarters, International Student Orientation Leader for 4 quarters, received 2 scholarships from the foundation scholarship

## Student Speaker

Nichole Bascue

Nichole is a returning student to EvCC, a first-generation college student, and a mother of two daughters ages 7 and 3. After high school, Nichole went into the workforce as a pharmacy technician, unsatisfied she changed course and became the regional front-end manager of multiple prosthetics clinics. After this, she pivoted again and started a career within the School of Dentistry at the University of Washington. That's when Nichole's long-hidden fears were confirmed, her lack of higher education which meant she wasn't eligible for higher positions in the workplace. This brought Nichole back to EvCC. Initially, Nichole was looking to complete something with a business focus, but during the journalism 101 elective, Nichole reconnected with an old friend, her love of storytelling. Nichole spoke to her advisor, changed her major, and set her sights on becoming Editor-in-Chief of the student newspaper. In Spring 2020, Nichole met that goal. Additionally, Nichole met her other personal goal of a GPA to be proud of. Nichole has also achieved 7 consecutive quarters with the President's distinction. Each piece Nichole writes or helps others produce at The Clipper is a building block in the legacy of EvCC and inspiration for her daughters to pursue their personal or educational goals.

Accomplishments: Editor in Chief of The Clipper, TRiO Tutor, Student Senate Candidate, First Generation College Student - Full Time mother of 2 young daughters, President's Distinction for the last 7 consecutive quarters for GPA, received praise from the Washington Coalition of Open Government for news articles which were promoted on their social media and website, National Journalism website "Poynter's The Lead" promoted news articles from The Clipper

## The Distinguished Alumni Award

The Distinguished Alumni award is the highest recognition given by Everett Community College. The award honors individuals who have attended Everett Community College and who have demonstrated leadership in their chosen professions. The Distinguished Alumni recognition acknowledges those who have distinguished themselves through personal successes and civic contributions, while bringing a sense of pride to the college community.

### The Everett Community College Alumni Association is proud to present 2021 Distinguished Alumni awards to

Jennifer Reyes  
Dave Surface

## 2021 Retirees

### In recognition and thanks to those members of the faculty and staff who retired during this past year.

Sharon Wellman, 35 years, Faculty  
Tammy Wood, 14 years, Exempt

## Everett Community College Student Academic Regalia

In our typical commencement ceremony, Everett Community College students wear a red gown and cap with a red and white tassel representing the school colors. Tassels are worn on the right front side before degrees are conferred and shift them to the left side at the moment the president presents the class to the audience. Honor cords are optional and reflect the student's GPA as of the end of winter quarter 2021. The commencement program reflects the honor cord status with a Greek symbol next to the student's name.

---

Gold Honor Cord	Ψ	4.00	GPA	President's Distinction
-----------------	---	------	-----	-------------------------

---

Purple Honor Cord	Θ	3.60-3.99	GPA	High Distinction
-------------------	---	-----------	-----	------------------

---

White Honor Cord	Ω	3.20-3.59	GPA	Distinction
------------------	---	-----------	-----	-------------

Students who are Honors Scholars have completed 20 credits of honors coursework, including a capstone project presented to the college at the Honors Forum. Indicated in the commencement program with the Greek symbol Σ next to their name.

Students who are members of Phi Theta Kappa (International Honor Society of the Two Year College) who have met their membership and service requirements, may wear an optional golden monogrammed stole, tassel, and honor cord.

Participation in the College's Commencement is voluntary. This program, therefore, lists the names of all those eligible to graduate, not just those participating in the ceremony. Because the creation of this program was completed before the final certification of grades, the graduation honors herein are tentative and based on the cumulative grade-point average after the conclusion of the student's next-to-last quarter. Final honors for graduates will be computed after final grade-point averages have been calculated. Thus, the appearance of a name in the program is not necessarily a valid indication of graduation or of honors. The diploma of the College and an official transcript provide authentic testimony to the conferring of degree.

Faculty members nominate and select 'outstanding graduates' in each of the College's instructional divisions.

**In memory of those faculty and staff who have passed away during the last year.**

Cindy Jo "Cynthia" Clarke, 11/16/2020, Faculty

We express our deepest sympathy to their family and friends.

To live in hearts we leave behind is not to die.  
- Thomas Campbell, "Hallowed Ground"
