## BECOME A STUDENT SENATOR!

### Everett Community College Associated Student Body Senate Application

We are excited you are interested in participating in a leadership role within student government! As an Associated Student Body (ASB) Senator you will have the opportunity to serve as a voice for EvCC students, providing valuable input to the College Administration and advocating for student needs and concerns. Through the bi-weekly meetings and committee work across campus, you will gain experience by networking with students, college employees and the community, navigating state/college policies, and reviewing student budget proposals. As a member of the ASB Senate you will gain transferable skills in areas such as leadership, communication, and critical thinking that will complement your academic coursework and add depth to your employment, college admission and scholarship applications.
